#### WARRANTY LIMITATIONS

Please take notice that none of the following kinds of problems are problems arising from defects in material or workmanship, and are therefore not covered by this Product Warranty:

- Defects arising from poor installation (this includes; damage arising from subfloor irregularities, for example excessive unevenness, loose nails or other protrusions; visual surface defects caused by previous floor coverings that should have been removed or covered, for example ceramic or bitumastic tiles, floor boards, cushioned vinyl, or by failure in the underlayment; seams 'peaking' or opening due to use of incorrect adhesive or seaming method; edge-to-edge shade variation; discoloration arising from installation next to a source of excessive heat); and visible trowel marks.
- Dissatisfaction due to improper maintenance.
- Problems arising from excessive moisture, alkali or hydrostatic pressure in substrate.
- Problems arising from cuts, tears, gouges, burns or other damage caused by stiletto or sharp high heels (these will even damage concrete!), sharp or hot objects dropped on the floor, dragged appliances, unprotected furniture feet, damage from pets etc.
- Warranty coverage does not apply to installations with heavy wheeled vehicle traffic, rolling office chairs, footwear such as roller skates, high heels or cleats that may permanently indent or damage the flooring. DO NOT use ball type castors as they can damage the floor. Furniture with castors or wheels must be easy swiveling, large surface non-staining and suitable for resilient floors. Chair mats must be used to protect floors from rolling chairs.
- Damage caused by chemically reactive material, carpet crocking, dye, mold, stains, spillage, burns, gouges, scratches, indentations, floods, accidents, abuse or any harsh scouring pads while buffing.
- Small differences in color and/or texture between the actual material or photographic images of the material and the actual flooring purchased.
- Construction or installation-related damage.
- Surface scratches, changes in shading, texture and/or gloss during use.
- Damage caused by inappropriate end-user activities.
- Installation of products with adhesives other than those recommended by The Manufacturer.
- Products may have slight color variations not detected at the factory. All products must be dry laid and examined under standard lighting conditions for color acceptance before being installed.

*The preceding list is not exhaustive, but merely illustrative, of the many kinds of problems that are not due to defects in material or workmanship in the products, and are not within the coverage of this warranty. Other such problems not described on the list above are also outside the scope of this warranty. This Limited Warranty is in lieu of any other warranties, expressed or implied. Please keep your receipt or obtain it from the original purchaser. We require the receipt in order to verify date of purchase to help resolve any problems.*
